

~~TOP SECRET~~

Daily Staff Meeting

Wednesday, 14 February 1951

25X1
Mr. Dulles reported that he had met with Mr. Lawton, Statts, Admiral Souers, and [redacted] and General Magruder to discuss the psychological warfare program. A draft for Mr. Statts setting up a committee composed of the Undersecretary of State, Deputy Secretary of Defense, DCI and a full time chairman was generally approved with the addition of Mr. [redacted] and a representative for the Joint Chiefs of Staff. The committee would have authority over policy and program and an approved draft is expected today.

25X1
Mr. McConnel reported that the Government printers had been briefed on our printing requirements.
